

**NOTICE OF PUBLIC HEARINGS
SCHEDULED ON PROPOSED COMPREHENSIVE
PLAN MAP AMENDMENTS AND
ZONE CHANGES FOR LAND REMOVED
FROM THE CITY OF DAMASCUS**

The Clackamas County Planning Commission and Board of Commissioners will hold public hearings to consider changing the Comprehensive Plan land use designations and zoning that apply to land removed from the City of Damascus. File ZDO-256 would change the land use plan designation and zoning for any unincorporated land previously de-annexed from Damascus and would apply to land removed from Damascus in the future unless such land is annexed by another city. In some cases, new overlay zones also would be applied.

The amendments are available at <http://www.clackamas.us/planning/zdo256.html>. The public may review and comment on the proposed amendments before and during the public hearings.
